Mahbubur Rahman  
Manager  
LeadSoft Bangladesh Limited.  
114 Kazi Nazrul Islam Ave, Dhaka 1000.

**Subject: Applying for the post of Intern Software Developer.**

Dear Mahbubur Rahman,

I am writing to express my interest in the Intern Software Developer position at LeadSoft Bangladesh Limited. As I am currently studying computer science, I am eager to apply my knowledge and skill in a practical field and I believe that your company would be an excellent company to do so.

From my learnings, I have developed a strong foundation in computer programming and the fundamentals of computer science. I gained experience from participating in programming contests and problem-solving for over 1 year. I am confident enough my experience and knowledge will help your company to achieve its goals.

I am excited about the prospect of contributing to your team and learning from experienced software developers. I am a quick learner, detail-oriented, and passionate about keeping up with the latest technologies in the field. It will be my pleasure to bring my skillset to your company and contribute to its success.

So, If you are interested, we can have a cup of coffee for further discussion.  
Thank You.

Sincerely

Rafi Shariar

## About me

I am currently studying Computer Science and Engineering at Daffodil International University. As a driven and enthusiastic individual, I am very excited to start my career in the IT industry.

Throughout my studies, I have developed a strong foundation in programming fundamentals, data structure & algorithms and solved over 300+ programming problems, which will enable me to contribute to the success of any organization I work for.

I am a quick learner, a team worker, and a dedicated worker committed to achieving goals and exceeding expectations. I am capable of working well under pressure and I am excited to face new challenges and develop my skill in a dynamic workplace.
