Subject: Apply for the post of senior video editor.

Dear Mr. Ayman Sadiq,

As a creative video editor with a history of creating and editing compelling digital content for private clients, media agencies, and event management companies. I am excited to submit my application for the Senior Video Editor position with the 10-minute school.

I am a student at the Daffodil International University of Computer Science and Engineering. With more than 4-years of experience supporting production needs with my technical and editing skills. **I worked for 1 year as a junior video editor of the 'Mayajal' youtube channel.** I organized all cultural events in my school and college, did all the editing work myself, and got appreciation from everyone. My strengths include HD video editing, composition, and Graphics Design. I am proficient in numerous relevant computer programs. Especially, Adobe Premier Pro, After Effects, and Photoshop.

currently, as a video editor for lignite visibility LLC, I manage to assemble and editing audio and video content for **100+ projects, including weddings, sports events, and social media / digital media commercials.** Below is a snapshot of my key strengths and achievement:

Customized 79+ information e-learning videos on multiple topics for an education client created and edited 30+ videos and animations per week in Adobe Creative Suite.

It would be a pleasure to learn more about the 10-minute school's needs and I would welcome the chance to provide further insight into my technical abilities and personal attributes. Thanks for considering my candidacy for this position. I hope to hear from you soon.

sincerely,

Mahmudul Hasan
