

I am enrolling myself in this course  
to learn basic things of electricity  
chapter.

I am Habibun Rahman Habib

My ID 0242220009081077

To realise the advancements of this  
world, now a day's Civil Engineering  
is more developed. So, we have to  
work in advance way. So we  
need to know about this course  
to be a civil engineer.
