

Cycling and Biogeochemical Transformations of Carbon and Nitrogen

K. M. Mahdiuzzaman Sayed
Lecturer
Dept. of NFE, DIU

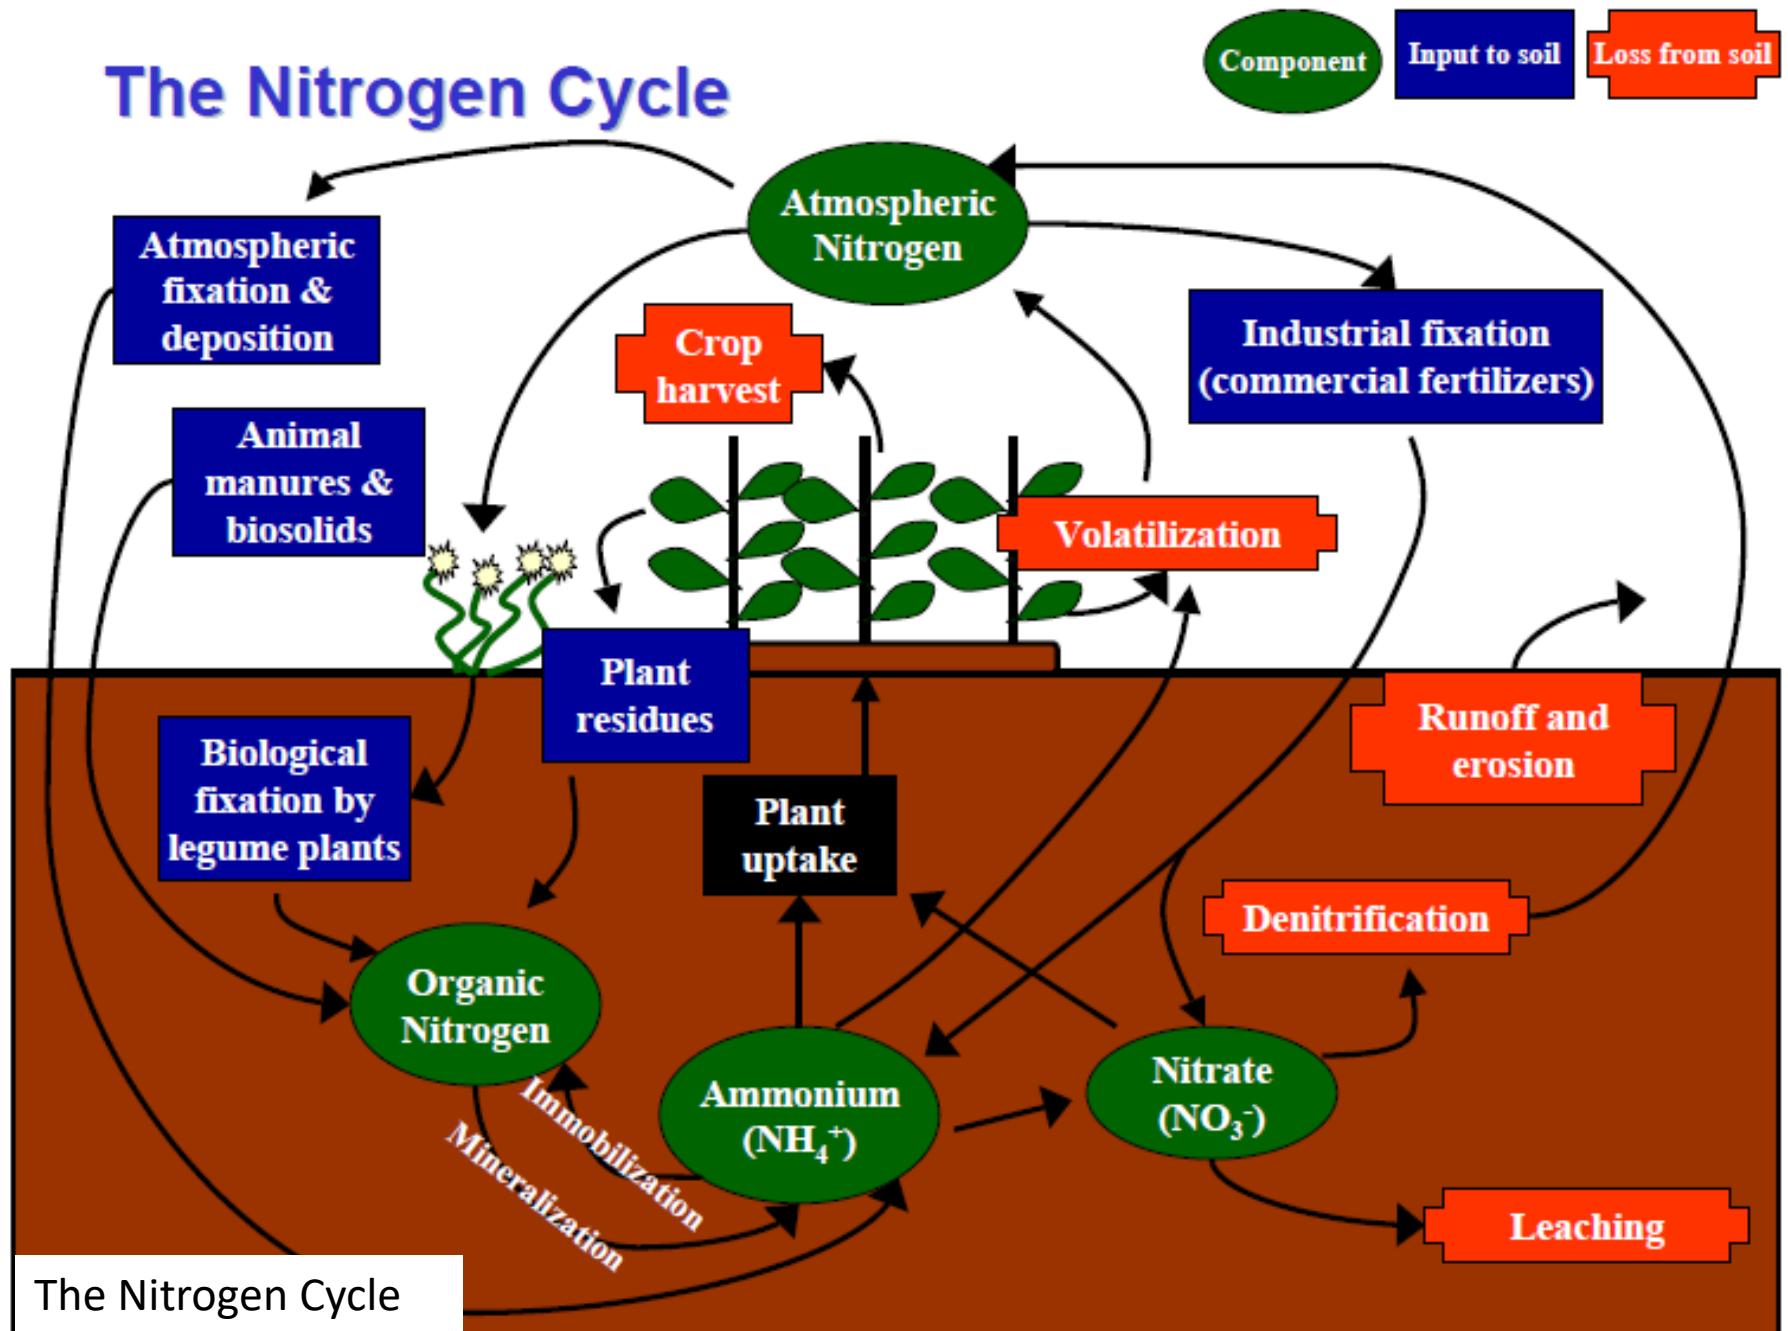

Carbon Cycle

- The same carbon atoms are used repeatedly on earth. They cycle between the earth and the atmosphere.

The Nitrogen Cycle

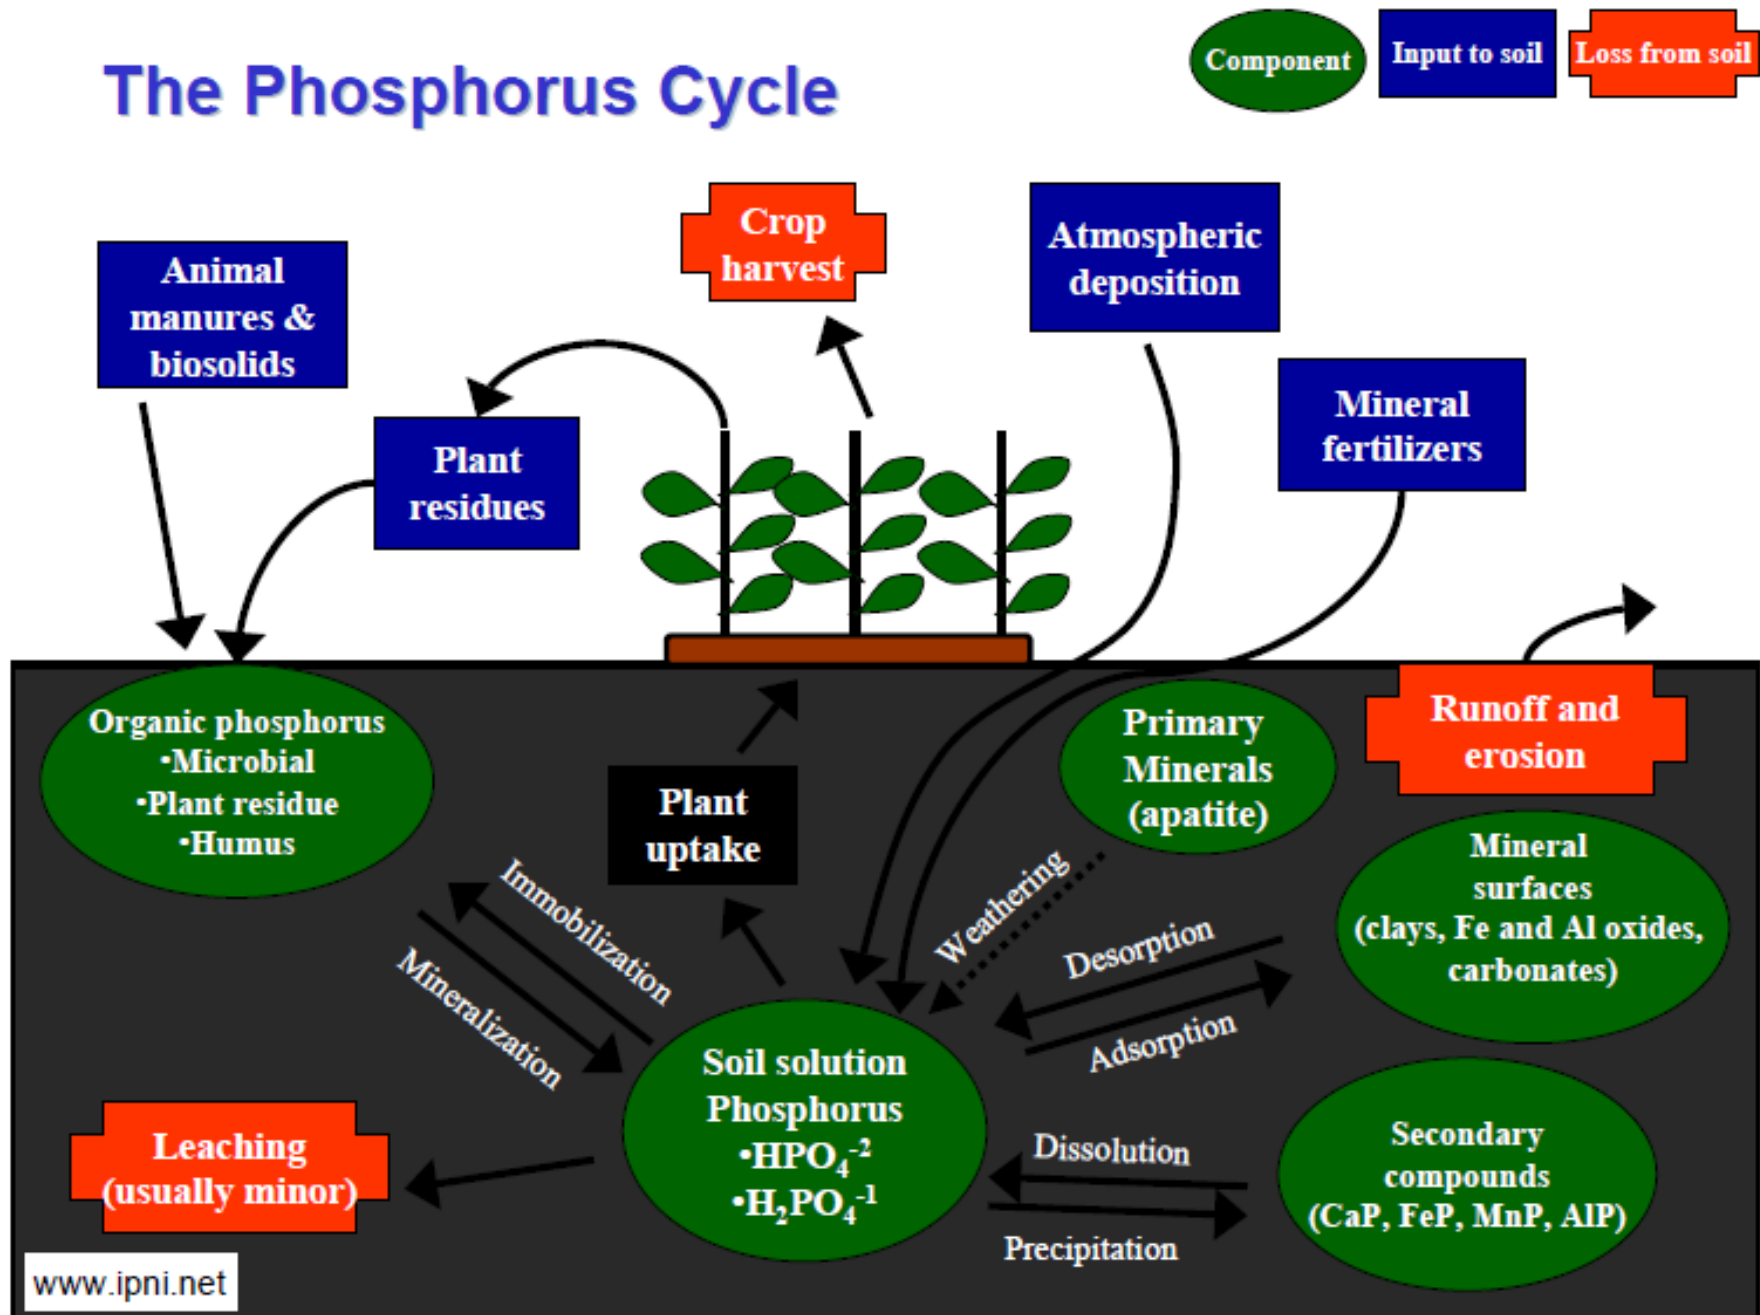

Cycling and Biogeochemical Transformations of P and S

K. M. Mahdiuzzaman Sayed
Lecturer
Dept. of NFE, DIU

The Phosphorus Cycle

The Sulfur Cycle
