

What is your Understanding on Rural Livelihood and Sustainability?

**Benefits 2:
Community
people are
more engaged
rather only big
corporations**

**Job
creation
in rural
area also**

**Integrated Farming
System, What is
your
understanding? And
please share some
benefits of it.**

**inter farming
system is
linking to
each other.**

**Benefits: Farmer
always get
something based on
the thier farm
elements, not any
month will be
empty**

Causes of Changing Socio-Economic Activities
