Measurement of one unit (square ft.)	Number of rooms per unit	Number of families residing in one unit (if shared)	Rent per unit	Rent per room (if shared)

4. Facility:

a. Water:

- Water supply type:
 - Shared
 - Individual
- Source of water supply:
 - WASA
 - Pump
 - Tube well
 - Collect water from another source
 - Others (specify)
- Water supply point (If shared):

Number of points	
Location of points	
Number of families sharing each point	

- Billing system

.....

b. Electricity:

➤ Availability:

.....

➤ Billing system:

.....

➤ Electricity connection type:

.....

c. Sanitation Facility:

➤ Toilet facility:

- Shared
- Individual

➤ Condition of toilet facility:

Type of toilet (Toilet connected to Septic tank/ Pit)		
Number of toilet points (if shared)		
Location of toilet points (if shared)		
Separated toilet and bathroom	Yes	
	No	
Number of toilets and bathrooms in each point		
Number of families sharing each point		

d. Kitchen Facility:

Shared or individual	
Source of fuel	
Number (if shared)	
Location (If shared)	
Number of families sharing each point	

e. Road condition:

- Average width of internal roads:

.....

- Condition:

.....

f. Waste Management System:

- Availability:

.....

- Type of waste management system:

.....

g. Drainage:

- Availability:

.....

- Condition of drainage:

.....

- Drainage cleaning system:

.....
